

Canon Andrew White: 'Loose' and 'Lethal' to 'The Gospel'?

Over recent year someone who has often appeared on TV as a spokesman for beleaguered Christians in Iraq and other Middle-East 'hotspots' has been an Anglican cleric referred to as **CANON ANDREW WHITE**. Whilst his concern for what was happening there was often admirable and moving I have to confess that my own 'spirit' never experienced any great 'kindred-feeling' as I listened to him for his view of who was a Christian and what was the Christian Mission appeared to me to be overly 'elastic'.

My reservations about him and his views were to a degree confirmed when I read a detailed report on him, his activities and his 'associates' in an article located on

<http://deceptionbytes.com/cannon-andrew-white-towards-a-one-world-church/>

Whilst I might not necessarily draw the same conclusions in every aspect as the writer of this report does, his report does nonetheless bring to light many fascinating connections that Canon White has association with and who in my view are manipulating him (albeit apparently willingly on his part) for their purposes and agendas.

The reference to his appearance at **DAVOS** in Switzerland shows that those with major world economic and political clout like to have 'religious' contacts that they can probably influence and use to further their aims and reminded me of how **RICK WARREN** and **BRIAN McLAREN** similarly participated in the **2008 DAVOS** get-together as you can read on

For instance there are numerous articles online that refer to Rick Warren's membership of America's 'Council on Foreign relations' and one of the most detailed is located on

http://en.wikipedia.org/wiki/Members_of_the_Council_on_Foreign_Relations

To find the reference to **Rick Warren** you need to look under the heading of "**Notable Historical Members**" and his entry is listed 7th from the end of that list of names.

Reference is made in the first article I cited about attempts to promote the 'unity' what are referred to as 'The Abrahamic Faiths' and of course **TONY BLAIR** has been active in this respect ever since he quit being the Prime Minister of the UK. Rick Warren is a member of one of the committees involved with the '**Tony Blair Faith Foundation**'.

Articles that I have written and that are relevant to these issues concerning Tony Blair and Rick Warren can be viewed on

An interesting article and video that shows the involvement of **Canon White** with **GOD TV** (which of course is headquartered in Jerusalem) and might possibly account for his friendship/affinity with **BENNY HINN** is located on

<http://www.god.tv/statement>

Clearly there are sources and 'spirits' at work that Paul describes as "**principalities... powers... rulers of the darkness of this world... spiritual wickedness in high places**" (**Ephesians 6:12**) and those that I have mentioned appear to be furthering the agendas of these 'dark forces'.

As for **CANON ANDREW WHITE** I am reminded of Paul's warnings in **2 Corinthians 11:4** of those who "**preach another Jesus**", of those who "**receive another spirit**" and of those who "**accept another gospel**".

Truly we are living in days of "**seducing spirits and doctrines of devils**" (**1 Timothy 4:1**).
