

CARRYDUFF BEWARE:

Rodney Howard Browne @ Carryduff Elim 7th February

It was with immense sadness that I've just seen that **Rodney Howard Browne** is scheduled to be 'ministering' at Carryduff Elim on 7th February 2019. His schedule for upcoming meetings can be viewed on

Back in September 2018 I issued a warning about this heretic when he was coming to 'minister' in Dublin so I will simply now give the link to that article as it 'holds good' as a warning also about his visit to Carryduff. This is the link –

More on RODNEY HOWARD BROWNE

Rodney Howard Browne was 'commissioned' back in the 1990's by Word of Faith guru and 'atoning-blood-denier', Kenneth Copeland, to go out and spread 'holy laughter' and of course he also engaged in the infamous and totally unscriptural 'duel in tongues' with Copeland.
