

David Hathaway's 'Day of Prayer' 26th January 2019.

I was recently contacted by a brother-in-Christ who, along with his wife, had been planning to travel from Wales to attend a 'Day of Prayer for Britain' in London on 26th January 2019. It is being organised by **David Hathaway** as you can read on this link

www.eurovision.org.uk

However, when he took a closer look at the list of those who would be speaking at the event, he decided that they would not travel to the event and he asked me if I could take a look at the line-up and perhaps share some thoughts and that is what I plan to do now.

The first name that 'caught my eye' was the **REVEREND Betty King**. I'm sure by now most people would be aware of my views on 'women ministers' but if not, then this link may prove to be informative and helpful –

Betty King has her own 'ministry' web site located on

<http://www.bettykingministries.org/>

On the Homepage it states -

'Reverend King is a world-renowned speaker and PROPHETESS'

(Cecil – emphasis mine)

Then on this page of her web site we read details of an already up and running

[\(http://www.bettykingministries.org/event/prayer-and-prophetic-school-2019/\)](http://www.bettykingministries.org/event/prayer-and-prophetic-school-2019/)

BKIM Prophetic School (January – May 2019)

This is the aim of this 'Prophetic School'

The BKIM Prophetic School is for those who truly want to learn to prophesy and to increase and grow in tha(t) knowledge. It is designed to birth an intense ability to be able to hear, see and perceive prophetically for the world and to the world.

I am firmly persuaded from the time of the closing of the Canon of Scripture that there are no 'Prophets' or indeed 'Apostles' in this present age. What I have found to be helpful articles on these issues are located on these links –

<https://www.scionofzion.com/prophets.htm>

<https://www.scionofzion.com/apostles.htm>

On the 'Prophetic School' web site page there are details of those who will be 'lecturing' and, first-off, one in particular 'caught my eye'

Lecturers at the school in 2019 include –

Patricia Bootsma

- Pastoral Leadership Catch the Fire, Toronto)

'Catch the Fire Toronto' is now the name of the fellowship where the unscriptural so-called 'Toronto Blessing' was birthed 25 years ago and, on this link, you can see that they are planning to celebrate the anniversary of that utter delusional 'blessing'.

Another speaker listed is

Pastor Nims Obunge

and his ministry web site is located on

<https://www.freedomssark.org/>

Mr Obunge has received many accolades for his community work as you can read. On the blog section of his web site there is an article that drew attention to the fact that the Reverend Celia Apeagyei-Collins was to be a guest speaker in April 2018.

My earlier comments about 'women ministers' therefore also hold good in this case.

Another listed to speak is

Lou Engle

and his ministry web site is located on

<https://louengle.com/>

On the homepage you will find directions to 'The Send' and this is the link

<https://thesend.org/>

This gives details of a joint initiative where various people and organisations are "uniting" for an event they believe will be a 'tipping point'.

Among those 'uniting' are LOU ENGLE, MIKE BICKLE (founder of the so-called 'Kansas City Prophets' and the equally dubious IHOP, International House of Prayer) HEIDI BAKER (helpful letter of concern about her and her co-ministry with people from BETHEL of Redding CA can be seen on <https://www.lighthouse-trails-research.com/blog/?p=20698>) and FRANCIS CHAN (another unstable teacher who is comfortable in the surroundings of the BETHEL 'cult' as you can read on <http://www.letusreason.org/Pent77.htm>)

Another listed to speak is

Apostle Elijah Chanak

Linked to this ministry web site

<http://www.qadoshkingdom.org/index.html>

The views I expressed earlier on there being no 'apostles' today apply to this man.

Finally, another name among those listed to speak is

Rachel Hickson

and her ministry web site is located on

<https://heartcryforchange.com/team/rachel-hickson/>

On the homepage I noticed that her daughter Nicola is married to a man called Tim Douglass and **THEY** pastor a **HILLSONG CHURCH** in Melbourne, Australia. That alone would be sufficient for me to **'take heed'** where this lady is concerned as she obviously has no reservations about her daughter being classed as a **'pastor'** and about her being connected to the **'Hillsong'** organisation.

One thing that slightly puzzled me is that there didn't appear to be any mention on her web site of the **'Day of prayer for Britain'** even though she is listed to be one of the speakers.

I would conclude by just saying that I think my contact and his wife exercised good biblical discernment in deciding not to attend this event.
