

## BALLYCLARE BEWARE: Mike Parsons coming to 'minister'.

Back in August 2015 I wrote an article alerting people to the fact that a man called **JOHN CROWDER** was coming to 'minister' in Ballyclare and that article can be viewed on this link –

<http://www.takeheed.info/pdf/2015/July/Ellel-Ministries.pdf>

That visit was organised by a group called '**New Heart Ministries**' whose web site no longer appears to be functioning. They appear to also be known as '**St Patrick's Ministries**' and their web site is located on –

<http://stpatrickministries.org/>

As you will see from their Homepage they meet at 240 Rashee Road, Ballyclare and this is how google listed '**New Heart Ministries**' –

'**New Heart Ministries**' have a Facebook page on this link

and on 11<sup>th</sup> January 2019 they posted the following –

They also included the following in the description of the event –

This will be an intensive 2 day event. Registration will open at the venue at 9am. First session starting at 9:30am. Mike will hold sessions through out each day until close at 10pm (approx.). Details of the location and facilities will be sent once you have completed registration. We regret that there are no facilities for children. Children will not be admitted...

Please Note: There will be NO tickets for sale At The Door.

(Cecil – I have copied this exactly as it is worded on their Facebook page:  
From another web link [eventbrite.co.uk] the tickets for Ballyclare cost £25.00)

‘St Patrick’s Ministries’ also have a Facebook page on this link

<https://www.facebook.com/St-Patrick-Ministries-1438876366373451/>

and the same details for the ‘Sons Arise’ event were also posted by them on 11<sup>th</sup> January 2019.

So, who is **Mike Parsons**? A church in England carries a lot of material relating to him as you can see by going to this link –

I noticed this event listed on that link –

so, although of course I can't be sure, I would suspect that the details given for it might have relevance where the upcoming Ballyclare event is concerned.

Looking at the outline for what will happen it would appear that a modern version of ‘**Gnosticism**’ is being promoted.

For those not familiar with the second-century heresy of '**Gnosticism**' these comments from the '**Dictionary of Theological Terms**' should be helpful

'Gnostics claimed a secret knowledge to which only a small segment of humanity could attain. Those who did were looked on as **pneumatic** or '**spiritual people**'. These people alone were led back to the light of the Supreme God. while the **pneumatic** enjoyed knowledge, a second, inferior class, including OT prophets were called **psychic**, people who could not proceed beyond faith. The remaining majority of humanity were called **hylic**, those subject to matter. While the **psychic** were consigned eternally to an inferior destiny than that of the **pneumatic**, the **hylic** were considered hopeless and due to be utterly destroyed. From this it was clear that Gnosticism was far-removed from Christianity... In the end Gnosticism died out as an active religious movement **but many of the esoteric ideas refused to die** and came to the surface from time to time. Indeed, much of the philosophy of the **New Age Movement** has a decidedly Gnostic flavour' (pp 164-165).

For me, the following segments of this event all had a definite '**Gnostic-ring**' to them and appear to be promoting the type of '**pneumatic**' class referred to.

#### **Accessing your mountain**

Identify the spheres of influence God has appointed to you and the authority you have.

#### **Engaging the 7 spirits of God**

Always available to us to tutor us and train us into sonship.

#### **Invested as kings**

Taking up your position of responsibility in the kingdom.

#### **Engaging the heavenly courts**

Explore the court structure of heaven and begin to operate there.

#### **Legislating as sons**

How and why you are to administer existing laws and add new ones to your statute book.

#### **Expanding your boundaries**

See beyond your current limits and realise your full potential as a son.

Now, again, I need to say that I can't say that this will be the outline of the event in Ballyclare, but I would be surprised if it did not perhaps contain some, if not all, of these elements.

On the following link

<https://freedomarc.blog/category/sons-arise/?fbclid=IwAR22G8chEH9HCgldL1ZbxhK5r5kG2v7RuzLob1FDAsnbd9PGFsOZWJ2-Bhg>

there is the following quote attributed to **Mike Parsons** –

**“We use the creative power of our consciousness to create reality. We do it all the time, most of us unintentionally! If you want things to be different, you have to make intentional choices...”**  
**Mike Parsons, *Expanding Our Reality* Intensive**

This definitely has a **New Age** ring to it.

In closing let me direct you to the blog of someone who clearly was heavily involved in ‘dark spirituality’ before being saved out of it. This is the link

<http://beyondthephysical.blogspot.com/2018/06/carolyn-hamlett-thoughts-from-heart.html>

and there you can both read and listen to the author of the blog  
**Carolyn Hamlett.**

The particular page I want to direct you to is on this link

<http://beyondthephysical.blogspot.com/search?q=mike+parsons>

and if you scroll down to  
**‘teachers to research’**  
**(basically, a coded way of saying- avoid)**

you will find amongst the names listed  
**Mike Parsons**

and I think that is a suitable recommendation to end this article with.
