

‘The Church of Christ Scientist’ (‘Christian Science’) Tragically twisting Christ’s views on medical help:

The Lord Jesus Christ clearly put His **'seal of approval'** upon the medical profession when He said **"They that be whole need not a physician, but they that are sick"** (Matthew 9:12).

Sadly **‘The Church Of Christ Scientist’** (‘Christian Science’) that was founded by **Mary Baker Eddy** and whose followers adhere to the somewhat confusing and unscriptural teachings set forth in her book **‘Science and Health with Key to the Scriptures’** misrepresent the views of the Lord Jesus Christ on this whole issue of seeking medical help when sick.

A video giving details of a particularly sad tragedy that resulted from **‘Christian Science’** parents following the teachings of **Mary Baker Eddy** rather than the Lord Jesus Christ can be seen on -

Not only do the teachings of **Mary Baker Eddy** misrepresent the views of the Lord Jesus Christ on the question of **‘physical healing’** but they also misrepresent His view on **‘spiritual healing’** that is available only through saving faith in His true Gospel.

Some years ago I wrote an article giving details of the false teachings of **Mary Baker Eddy** on salvation and it can be viewed on -
