

**SHAUN WILLCOCK talks about “Contending in South Africa”;
SHAUN WILLCOCK writes of “The Madness of Multiculturalism”**

Back in 2003 it was my privilege to host a ministry visit by **SHAUN WILLCOCK** of ‘**Bible Based Ministries**’ (South Africa). If you are not familiar with Shaun’s ministry you can learn of his work by going to his ministry web site on

Over recent months I have been checking through a large number of videos and audio recordings I have accumulated over the years and some have already been posted to YouTube (often forming a relevant integral part of an article I have written).

In relation to Shaun’s 2003 visit I had ‘unearthed’ an audio recording of one of the meetings at which he had spoken and my intention was to contact him to seek his permission to post that to YouTube. However, before I had contacted Shaun, he providentially made contact with me to say that just recently he had converted a video of one of his meetings to DVD. I explained my ‘YouTube hopes’ and he very willingly sent a copy of the DVD to me and it relates to the talk he gave at ‘**The WORD**’ near Moira on Saturday 8 November 2003.

There is a (just over) 10 minute introduction by myself explaining a little of the background of how I came to invite Shaun to come to the Province and then Shaun gives a fascinating talk on “**Contending for Christ in South Africa**”. You can watch all this by going to

Then, just in recent days Shaun has sent out details of his latest book – one that I think will be extremely timely and very relevant. It is titled “**THE MADNESS OF MULTICULTURALISM**”.

The ‘**Multicultural Crusade**’ in the United Kingdom over recent decades has changed it beyond recognition, and not for the better, and I believe the same view would be echoed in many other countries around the world.

For details of the contents of the book, its price and how to order you can again go to

If you can support Shaun’s ministry either directly (via his web site) and/or in addition by purchasing his book then I would encourage you to do so.
