As a good example of the morally degenerate swamp and utter confusion into which governments are leading peoples by their promotion of so-called 'Same-Sex Marriage' this article is a clear demonstration

[Nigel Taylor](#) Have you seen the ad sponsored by youtube promoting same sex marriage, etc... as a positive, joyful...or should that read "gay" event?

[Stephen Green](#) Sure they're not part of the emergent cult movement. We can't really know the meaning of words. Words mean whatever is relevant to you.

[Marsha Kay Dixon Dyser](#) I suppose in the World, yes but they sure do have the word judgment down pat.. and are quick to accuse one as judgmental if you voice your opinion against what they do...how unloving it would be of us if we did not let them know what God says in His written Word....

In the light of the 'unholy haste' with which 'Same-Sex Marriage' is being legalised in the UK, this article, although dealing with matters in the USA, has equal validity and application wherever this type of legislation is being enacted in God's world. ## ASHAMED TO BE BRITISH?

There are times when as someone living in Northern Ireland, which is part of the United Kingdom, that I feel a real sense of pride at being British. Just last year there were the spectacular events that celebrated the Queen's Diamond Jubilee and then we had the well-staged and medal-successful Olympic Games – these were real national flag-waving occasions.

However when I listen to the utterances of our British Prime Minister, David Cameron, on the subject of 'same-sex marriage' and in particular when I see him publicly reading aloud God's Word with 'poise and dignity' and then with unfettered arrogant hypocrisy promoting and passing legislation that flies totally in the face of the truths and teachings contained in that same God's Word I have to confess "YES" – this makes me ashamed to be British.

The sham of 'consultation' on this subject and the blatant diabolical spiritual evil of David Cameron and his core party supporters is laid bare in the video on this link –

Finally, not content with imposing this vile legislation on the people of the United Kingdom, Mr Cameron now wants to 'export' this evil around the world as you can read on

<http://www.christian.org.uk/news/cameron-vows-to-export-gay-marriage-worldwide/>

Yes, thanks to David Cameron and his 'same-sex marriage' legislation I have to confess that I am on this issue ASHAMED TO BE BRITISH.
