## The Pope of Rome in Africa 2015: Why now?

Earlier this year my good brother in Christ, Shaun Willcock, of 'Bible Based Ministries' in South Africa wrote a detailed and comprehensive article assessing the Papal visit to America that had just taken place. It was titled –

## "The Pope of Rome in America 2015: Why now?"

and it could be accessed on -

http://www.biblebasedministries.co.uk/2015/10/01/the-pope-of-rome-in-america-2015-why-now/

and was I know appreciated by many.

In a similar vein and following the recent Papal visit to Africa Shaun has just published another article entitled –

## "The Pope of Rome in Three African Countries 2015: Why now?"

and it can be accessed on

http://www.biblebasedministries.co.uk/2015/12/12/the-pope-of-rome-in-three-african-countries-2015-why-now/

I trust that once more it may be helpful to many.
