

“Take Heed” Ministries:

January 2015 – June 2015

Dear praying friends and supporters of ‘Take Heed’,

Sincere greetings to you once more in His most precious and worthy name. I hope this letter finds you rejoicing in our Saviour, whatever your circumstances, just as Paul did, when, even in the most trying of circumstances, he described himself as an **“ambassador” (Ephesians 6:20)** – Charles Ryrie comments – **‘Even in prison Paul was not thinking of his own welfare but of his testimony for Christ’.**

These past 6 months have seen much and varied ministry activity. I have continued to write articles that have been posted to the ministry web site and herewith are just a couple of samples of some article topics with brief extracts from those articles:-

RICHARD HARRIES:

Satan’s spokesman in the ‘House of Lords’

The Daily Mail of 29 November 2014 reported that the former Anglican Bishop of Oxford, **Richard Harries**, had recently called for the following - that **“Prince Charles’s coronation service should open with a reading from the Koran”** - and his reason was given as being that the gesture would be a **“creative act of accommodation to make Muslims feel embraced by the nation”**.

I also directed readers to a previous article I had written highlighting where, on a Radio 4 ‘Thought for the Day’, Mr Harries said this when rebuking a Christian school for rejecting ‘evolution’ and for teaching 6-day creation **‘It is therefore quite extraordinary that 140 years later, after so much evidence has accumulated, a school in Gateshead is opposing evolutionary theory on alleged biblical grounds. Do some people really think that the worldwide scientific community is engaged in a massive conspiracy to hoodwink the rest of us?’**

In more recent times this former Anglican Bishop has also avidly and vocally supported so-called **‘same-sex marriage’**. These few details should explain clearly the reason for the title of my article.

R T Kendall coming to Belfast: ‘Take Heed’ and Avoid

In times past Mr Kendall described **RODNEY HOWARD BROWNE** (of ‘Holy Laughter’ and ‘Toronto Blessing’ infamy) as **“a guileless man of God”**. (Mr Howard-Browne blasphemously once described himself as a **‘Holy Ghost bartender’** – believing he had the power to **‘dispense’** the Holy Ghost)... I also drew attention to **R T KENDALL’s** association with another discredited charismatic (supposed healer) **MORRIS CERULLO**... way back then he was peddling his (erroneous) views on **‘The Word and the Spirit’** and in a video advert for his latest book (which no doubt will be promoted heavily when he comes to Belfast) he is still ‘trumpeting’ his views... In that video advert for his latest book he wrongly accuses those who believe that **‘the gifts’** have ceased of basically being devoid of and ignoring the Holy Spirit – that is tantamount to saying they are ‘not saved’ in the light of Romans 8:9.

Other ministry web site article topics (without extracts) have included the following

‘THE HARE KRISHNAS’
YOGA
SALVATION ARMY ‘captured’ by POPE FRANCIS
NEW AGE MOVEMENT: Three Old Lies.
‘JEHOVAH’S WITNESSES’ and JESUS
TIM KELLER: ‘FLESHING OUT’ SOME OF MY CONCERNS
(1) THEISTIC EVOLUTION (2) IGNATIUS LOYOLA (3) CATHOLIC MYSTICS like TERESA of AVILA
Canon Andrew White: (Vicar of Baghdad)
‘Loose’ and ‘Lethal’ to ‘The Gospel’?
EVOLUTION CREATES LIARS

In relation to the last of those articles in which I highlighted the heresy of ‘**Theistic Evolution**’ I was greatly encouraged by positive feedback including these comments

Thanks for the article. I have so far read bits from your article and the summary but will make time to read the whole article. So far from the little I've read, I just want to thank God that there are still those who hold The Bible as the inerrant Word of God in its entirety. I by faith also subscribe to this view that holds The Bible as the whole Truth and nothing but The Truth. God bless you and more Grace to you all.

Great article on Theistic Evolution! You are right to highlight the awful contradiction between professing to believe in God's Word and then accepting theistic evolution.

Over 5 days at the end of May I spoke in Braehill Baptist Church, Belfast and addressed ‘**Christian Broadcasting**’: ‘**Islam’s conflicting message**’: ‘**Cults – The religion pedlars**’ and finished with ‘**Watch and be Ready**’ in which I highlighted departures from “**sound doctrine**”. These were times of rich fellowship and blessing and videos of the talks are now posted to the ministry YouTube site. ‘**Traffic**’ on these sites continues to grow as these statistics show (Bracket figures for December 2014)

Ministry web site visits	YouTube videos/audios	YouTube viewings	YouTube subscribers
655,588	157	371,098	1437
(526,679)	(143)	(254,106)	(1054)

Sincere thanks as ever for all your ongoing prayerful and practical support

Cecil Andrews
