

“Take Heed” Ministries

December 2018

Dear praying friends and supporters of ‘Take Heed’,

Having formed the ministry on 1st September 1990, **“Take Heed”** is now, by God’s grace, well into its 29th year of operation. Something that I have learned over those years is that history can repeat itself or, as another saying goes, **‘what goes around comes around’**. I have recently seen two particular instances of that.

The first instance was over the weekend of 25th/26th August 2018 when Pope Francis visited Ireland to attend and officiate at a number of events – this is how one Irish newspaper reported the visit – **‘The Pope is travelling to Ireland for the World Meeting of Families (WMOF) 2018 event. Held every three years, the event celebrates “the central importance of marriage and the family”.**’ The same newspaper also made reference to a previous Papal visit to Ireland in these terms – **‘When Pope John Paul II came to Ireland in 1979, an estimated 2.7 million people lined the streets to see him.’**

It is patently clear that this 2018 Papal visit generated neither the excitement nor attracted anything like the numbers that turned out for the 1979 visit. However, so-called Protestant church leaders in Northern Ireland were more than eager to journey south to be in attendance, much to the dismay of many true believers within the denominations they were claiming to represent.

Without doubt the most high-profile of these ‘pilgrims’ was the current Presbyterian Moderator, **Charles McMullen**. Again, according to an Irish newspaper report Mr McMullen said – **“I am personally very pleased that our church has been able to accept the invitation to the reception and I am looking forward to it. Should there be an opportunity to meet Pope Francis in Dublin Castle, I would also very much welcome that in the context of building good relations.”** As I understand it no such meeting took place even though Mr McMullen attended that Dublin Castle event.

In the wake of that futile, and in truth, quite humiliating journey to Dublin by **Mr McMullen**, he did his best to put a ‘good-spin’ on his attendance – the Belfast Telegraph reported that he said **“As a Church we recognised from the start that the visit of Pope Francis would be a very significant event for our fellow Roman Catholic neighbours and friends... It’s something that’s important to them, and we wanted to join them in welcoming the visit of the leader of their Church”**. Somehow, I just can’t imagine the apostle Paul being so welcoming to a visit by the leader of the Judaisers! Going back to history repeating itself and to **‘what goes around comes around’**, concerning Mr McMullen’s visit to Dublin, I posted an article to the ministry web site in September and herewith are some extracts –

Presbyterian Moderator and Pope Francis: No surprise Charles McMullen attended Dublin Papal events

'Many in professing Protestant circles in Northern Ireland were disappointed and dismayed that the current moderator, Charles McMullen was present at some of the events lined up for the recent visit of Pope Francis to Dublin... However, based upon Mr McMullen's past liking for 'togetherness' between professing Evangelicals and Roman Catholics his presence at these Papal events in Dublin should have come as no surprise. Back in 1998, a booklet was published called 'Evangelicals and Catholics Together in Ireland' and on the front cover it stated – 'A call to CHRISTIANS (Cecil – emphasis mine) in Ireland – Protestant, Roman Catholic, Pentecostal, New Church, to build relationships as disciples of Jesus Christ that we may more clearly witness to Him, OUR (Cecil – emphasis mine) only Saviour and Lord'

I then quoted the text of my own booklet that responded to that 1998 booklet and in it I demonstrated that 5 things that were '**Joyfully Affirmed Together**' by the signatories were in fact '**myths**'. Those 5 things were - **The Sovereignty of the Holy Trinity: The Abundance of Grace: The One Holy People: The Activity of the Holy Spirit: The Authority of Scripture.** I concluded my booklet in these words –

'The only way for people attaching to themselves the labels of '*Evangelicals*' and '*Catholics*' to get together is for the '*Evangelicals*' to depart from biblical truth and tolerate Roman error and for the '*Catholics*' to apparently embrace biblical truth but still identify with Roman Catholicism... The actions of the '*Evangelicals*' invalidate their claim to be '*Evangelicals*' and the stated beliefs of the '*Catholics*' invalidate their claim to be '*Catholics*' so the only conclusion to be drawn about this ECT Ireland document is that it is a misleading 'Myth'... In conclusion you will find on the next page all the signatories to this ECT Ireland document... In the light of his 1998 Endorsement of the booklet, 'Evangelicals and Catholic Together in Ireland' it is therefore no surprise that Charles McMullen, as Moderator of the Presbyterian Church in Ireland, found no problem in attending these Papal events held in Dublin'.

The second instance of 'history repeating itself' also occurred in Dublin, but this time on 21st November 2018. Back in the mid-1990's I spent much time and spoke in many locations warning people against the so-called '**Toronto Blessing**' that was 'sweeping' the world. One of the leading figures was **Rodney Howard Browne** and video of him 'in action' featured a lot in my warning presentations. In September I was alerted to his then upcoming visit and posted an article with this heading –

RODNEY HOWARD BROWNE: Coming to Dublin – AVOID!!

The event was hosted by **All Nations Church** and this was how they announced it

We are excited to be able to co-host Pastor Rodney Howard Browne, originally from South Africa but based in Tampa, Florida. He is speaking in 13 different cities across Europe. His heart is to see revival across this island and we are encouraging people to bring their families & friends who do not know Christ. He also moves in gift of healing and flows in the power of the Holy Spirit. Admission is free but an offering will be taken up on the night. Hope to see you there!!

In the article I directed readers to links of videos showing the **'Holy Laughter'** that **Rodney Howard Browne** was 'peddling' during the so-called **'Toronto Blessing'** and reminded them of how he had referred to himself as **'A Holy Ghost Bartender'** – claiming blasphemously that he could 'dispense' the Holy Ghost. I also wrote –

'In recent times Rodney Howard Browne has moved in influential circles as this photo shows – here he (and his wife Adonica – 2nd/3rd from left) are pictured along with other questionable 'Christian' figures in the company of President Trump who relies heavily on spiritual 'guidance' from Paula White (on the right in the photo - she offered the main prayer at President Trump's inauguration).

Towards the end of my article I wrote the following –

'Has the 'ministry' of Rodney Howards Browne changed over the years since his 'Holy Laughter' days when he blasphemously referred to himself as a 'holy ghost bartender' – well certainly nothing had apparently changed by 2015 when Mr Browne 'ministered' at Kensington Temple in London ... Judging by his past record I have no doubt that the meeting which Rodney Howard Browne will 'minister' at in Dublin will be 'exciting' BUT equally I am also fully persuaded that it will not be 'edifying' for any of God's true children who may go to it and for that reason my advice is clearly to AVOID him and it (Romans 16:17).

One of the other consequences of the 'longevity' of **"Take Heed" Ministries** is that some of the saints who were helpful and supportive from the early years have now gone to glory and since I last wrote to you there have been two notable examples of this and I would like to mention them by way of heartfelt tribute.

In my **March 2009 'News From The Front'** ministry newsletter, I wrote the following

'With my last newsletter I enclosed a report on the response to an appeal made to those on my mailing list who live in the U.K. A long-time, faithful and elderly supporter of this ministry, called MARY BAXTER, had fallen victim last September to thieves who broke into her house whilst she was at her church mid-week meeting and they stole £4000.00 that she had been planning to use the following day to pre-pay funeral costs. In my December newsletter enclosure, I told how, thanks to a truly magnificent response, the sum of £3990.00 had been donated and passed on to MARY. I am now delighted to report that about mid-December I received a further gift of £20.00 to forward to her which meant that the entire amount stolen had been 'made good' with a little extra to spare, so God, through His people, has been so good.'

This memory may resonate with some reading this letter. I shall always be grateful to the Lord for Mary's loving support and since her death in June she is greatly missed. Then in October I learned that **GLENN LINDSAY** of 'Good News Videos' in Dublin had passed away. **GLENN** and his wife **ISABEL** were of immense help to the ministry as they willingly videoed many public events that I organised (including videos of my 'Toronto Blessing' talks and public debates involving Rob Zins). **GLENN** too will be greatly missed. And now, as this letter draws to a close let me once more quote some encouragements received

'Dear brother Cecil, thank you for your website and ministry, may the Lord richly bless you for your faithfulness to Him alone' EW

'Hi Cecil it's been a really long time from I've heard you speak at a church.... I believe very strongly in the warnings you are alerting the church to... God has surely blessed you JG

The Ministry and YouTube sites are still regularly visited as can be seen by these statistics (Bracket figures for June 2018). These continue to be vital tools in defending God's truth.

Ministry web site visits	YouTube videos/audios	YouTube viewings	YouTube subscribers
2, 146, 202	194	1, 578, 697	5179
(1, 887, 579)	(192)	(1, 374, 324)	(4429)

As regards 2019, it looks as though, if spared, I may be ministering in some far-off places that I have never been to before, but much prayerful preparation has yet to be done, so I will hold off from giving any specific details until my June 2019 ministry letter (DV). In conclusion, please continue to pray for the Lord's work here at '**Take Heed**' and once again, if you would like to continue to support '**Take Heed**' practically, then please make use of the enclosed yellow '**support letter**' (see on page 5). **ONLINE DONATIONS** in support of '**Take Heed**' can also be made by going to this link –

With much gratitude and every good wish in Christ for 2019
