

Rev. John Dickinson and Vicky Beeching My Facebook post of 18th June 2018

Back on 14th February I posted an item that detailed how the minister of Carnmoney Presbyterian Church, **JOHN DICKINSON**, had been 'crowd-surfed' out of the Carnmoney 'sanctuary' –

and I explained how distressing it was to see this less than edifying spectacle as this was the church that Margaret and I had been married in back in 1987 – it was at that time 'conservatively biblical'.

It now appears that **Mr Dickinson** is sympathetic to and supportive of the 'theological position' advanced by a lesbian 'Christian' singer called **Vicky Beeching**, as you can read on this link

Back in 2014 I wrote an article about **Vicky Beeching** who had just 'come out' and you can access that article on this link

As I understand it, **Vicky Beeching** will be a featured guest next Sunday (24th June) on Radio Ulster's 'Sunday Sequence' where no doubt she will be given a warm welcome.

I should also point out that the endorsement on the front cover of **Ms Beeching's** book is by **Clare Balding**, a popular TV (mainly sports) presenter, who is 'married' to her lesbian partner.

Returning to **Mr Dickinson**, this is not the first time I have taken issue with him on his publicly expressed views as you can read (and listen) on this link
