

## **DECEMBER 2019 'MINISTRY UPDATE LETTER'**

**An opportunity to support 'Take Heed'**

Just recently the December 2019 '**Ministry Update Letter**' was posted to the web site and it can be accessed on this link

Those who have followed and supported the ministry over the past 29+ years would be aware that it is a 'faith ministry' and many of these folks have been both faithful and generous in their support.

However, as the years have passed, an increasing number of them have gone to their eternal reward – some just in recent months. We mourn their passing but also rejoice that for them it is “far better” as they are now in the very presence of our Saviour,  
the Lord Jesus Christ.

This short article is just to alert those who may be more recent followers of the ministry to the nature of how it is funded and supported. If you have been helped and blessed by the ministry then at the end of the '**Ministry Update Letter**' there are details of how you could give support if led to do so – either online or by post.

**Wishing all who read this article a truly blessed 2020**
