

‘CROWN JESUS MINISTRIES’: OPENLY PROMOTING ROMAN CATHOLICISM.

Over recent years on quite a number of occasions I have been asked for my views on ‘**Crown Jesus Ministries**’. If you are not familiar with them this is the link to their web site - <https://www.crownjesus.org/> On this link <https://www.crownjesus.org/event-info/an-afternoon-with-ron-huntley> you can see and read the following –

The poster features a black and white photograph of Ron Huntley, a man with short hair, wearing a light-colored blazer over a checkered shirt, with his arms crossed. The background is white with a grey diagonal line pattern in the top left. The text 'An Afternoon With' is written in a blue cursive font. To the right is the Crown Jesus Ministries logo, a circular emblem with a crown and the text 'CROWN JESUS MINISTRIES'. Below the photo is a red-to-purple gradient box containing the name 'RON HUNTLEY' in large, white, outlined capital letters. Below this box, the text 'DIVINE RENOVATION MINISTRY' is written in bold, dark blue capital letters. The event details are listed in red capital letters: 'MONDAY 21ST OCT', '2PM - 4PM', 'CROWN JESUS MINISTRIES', '7 CALVIN STREET', 'BELFAST', and 'ADMISSION FREE'. At the bottom, a small grey text line reads 'To book your place go to www.crownjesus.org/events'.

About the Event

Ron will be with us all the way from Nova Scotia, Canada to share his experience at **Divine Renovation**, a Catholic Ministry with a heart for developing missional parishes. This is an afternoon for those in church leadership, especially within a Catholic context.

So, what is the background to **Divine Renovation**? Well, this link will take you to their ministry web site - <https://divinerenovation.net> Currently, as you scroll down through the home page you can see and read the following –

Divine Renovation was birthed out of a real experience of renewal. **Fr. James Mallon** along with the team at Saint Benedict Parish in Halifax, Canada transformed their parish into a vibrant community of missionary disciples. Pastors, priests and leaders from around the world took notice.

Every Christian is challenged, here and now, to be actively engaged in evangelization; indeed, anyone who has truly experienced God's saving love does not need much time or lengthy training to go out and proclaim that love.

Evangelii Gaudium

- Pope Francis

I think the mission of **Divine Renovation** is quite clear – it is to further the cause of **Roman Catholicism** – a religious system, posing as Christianity, that has led and continues to lead countless millions to a lost eternity without Christ.

This then is the organisation that '**CROWN JESUS MINISTRIES**' is openly partnering with. In doing so, they are showing themselves to be enemies of the TRUE Gospel of the Lord Jesus Christ and should be shunned by faithful Christians.

In conclusion, some years ago I wrote an article detailing '**the gospel**' of a now former Jesuit Priest, **PAUL SYMONDS**, who had taken part in a public debate with my good friend, **ROB ZINS**. This link takes you to that article - http://www.takeheed.info/Assorted_Articles/Ecumenism/the-gospel-truth-according-to-father-paul-symonds.pdf On page 15 of that article I wrote the following –

The **imputation** of Christ's perfect righteousness to every truly born-again believer is a gracious and glorious truth 'enshrined' in the Gospel of the Lord Jesus Christ. Paul wrote in **Romans 1:16-17** "For I am not ashamed of the gospel of Christ...For in it is the righteousness of [would be better translated 'from'] God revealed from faith to faith; as it is written, the just shall live by faith".

Paul Symonds **firmly rejects** this biblical truth of '**imputation**' and in support of his belief quotes from the writings of deceased Jesuit, Henri de Lubac. Herewith are extracts from the quote used that was later sent to me by Paul Symonds –

'If God had willed to save us without our own co-operation, Christ's sacrifice by itself would have sufficed. BUT does not the very existence of our Saviour presuppose a lengthy period of collaboration on man's part? ... God did not desire to save mankind as a wreck is salvaged; he meant to raise up within it a life, his own life [Cecil's comments – increasing 'sanctification', as believers are conformed more and more to the image of Christ, is evidence of salvation and not grounds for salvation] ... Christ did not come to take our place...but to enable us to raise ourselves through him to God. He came not to win for us an external pardon...but to change us inwardly. [Cecil's comments – Please remember the context – Lubac is explaining how he believes someone is 'saved, not 'sanctified'] Thenceforward humanity was to co-operate actively in its own salvation'.

The false 'gospel' of Roman Catholicism is that man is progressively '**infused**' with righteousness as he co-operates with God and this co-operation contributes to his salvation. They deny that the '**imputed**' righteousness of Christ is the sole ground of man's salvation. This false teaching is perfectly set out by the **Council of Trent –**

Canon 24: If anyone says that the justice received is not preserved and increased before God through good works, but that those works are merely the fruits and signs of justification obtained, but not the cause of its increase, let him be anathema.

For Rome, salvation is secured through man contributing his part in Divine Renovation and this is the false gospel that '**Crown Jesus Ministries**' is publicly partnering with – '**Take Heed**'.
