

## RAMADAN: As seen by 'British Elite'. Archbishop of Canterbury and Prince Charles.

In recent days the Muslim month of fasting known as **RAMADAN** has begun and the supposedly 'Christian' **Archbishop of Canterbury**, Justin Welby, and Prince Charles, who if he becomes king one day, and as the law currently stands, will be given the title **Supreme Governor of the Church of England** (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) have both issued messages by video to Muslims living in the United Kingdom.

This is what I wrote on Facebook when directing people to Mr Welby's message –

As a Christian, words fail me at the diplomatic and theological ineptitude of this supposed 'Christian' leader and spokesman –

The following day I posted this in relation to a **RAMADAN** message issued by Prince Charles and this is what I wrote –

### PRINCE CHARLES and RAMADAN

If you thought the ramblings of Justin Welby, Archbishop of Canterbury, on RAMADAN were bad (see my post yesterday), well, they are certainly matched, if not surpassed by those of Prince Charles as you can see by the article and video on this link -

**These public expressions by Mr Welby and Prince Charles show clearly the bankrupt state of true Christian faith and understanding amongst 'the elite' of British Society and Spirituality.**

"Woe unto them who call evil good ... who put darkness for light ...  
who put bitter for sweet" (Isaiah 5:20)
