

ISLAMIC 'SUFISM' INFLUENCES BETHEL 'WORSHIP'

BETHEL 'Church' in Redding, California and the **HILLSONG** grouping headquartered in Australia rely HEAVILY on music and 'worship pastors' to entice people, especially, young people, to attend their 'services'.

I was recently sent a link to the following video and it is a clear example of the type of heretical 'doctrine' and 'theology' being promoted by so-called 'worship pastors or leaders' at **BETHEL**. This is the link -

I believe the video demonstrates that there is a clear link between the encouragement for 'worshippers' to 'spin' and to what is believed and taught in **ISLAMIC 'SUFISM'** and I would agree with the conclusions drawn by the presenter of this video.

Back in 2014 I wrote an article titled '**SUFISM: The "peaceful charismatic face" of ISLAM?**' and it can be accessed on this link –

Wrenching a phrase from a well-known and much-loved hymn, I think it applies perfectly to the situation with the so-called **BETHEL CHURCH** and the phrase is '**The darkness deepens**'.
