

WHAT IN THE WORLD IS HAPPENING?

Why the upsurge in world-wide civil unrest?

On 3rd July 2020 I posted the following on my Facebook Timeline

With all the chaos happening around the world, especially in the United States you may be wondering to yourself just what exactly is happening and taking place.

SHAUN WILLCOCK has lived through violent revolution in his own home country and knows that unseen forces are working 'behind the scenes' to achieve and enact their own global aims and agenda.

I would encourage you, if this is of interest to you, to take the time to read this detailed article just published by Shaun –
