

PREACHING via ZOOM to CANADA during 'LOCK-DOWN'

(1): Mark 1:14- 38: 'CHRIST COMMENCES'

During the 'lock-down' that has been imposed because of the COVID 19 pandemic I have been unable to undertake in person, and, face to face, a number of meetings with churches and fellowships that had been previously scheduled.

However, as doors have been shut because of COVID 19, the Lord has graciously opened others and this He has done through the online ZOOM facility.

On Sunday morning, 14th June 2020, I was able to preach 'live' to the members of Sovereign Grace Baptist Church in MISSION in British Columbia, a church that I have previously preached in on a number of occasions.

Margaret and I had once again planned to be there in person during a 3-week trip to BC this year, but that trip was of course cancelled because of the travel chaos caused by COVID 19.

The link that I will give will take you to the video of that sermon that has been posted on the 'Take Heed' YouTube site. During the presentation there are a few visual 'freeze' moments, but, overall, the flow of the sermon is not adversely affected and so I invite you to watch and I pray you will find it honouring to our Lord Jesus Christ.
