

PREACHING via ZOOM to CANADA during 'LOCK-DOWN'

(2): Luke 18:1-14: 'PROPER and IMPROPER PRAYER'

During the 'lock-down' that has been imposed because of the COVID 19 pandemic I have been unable to undertake in person, and, face to face, a number of meetings with churches and fellowships that had been previously scheduled.

However, as doors have been shut because of COVID 19, the Lord has graciously opened others and this He has done through the online ZOOM facility.

On Sunday evening, 14th June 2020, I was able to preach via a 'pre-recorded' sermon to the members of Sovereign Grace Baptist Church in MISSION in British Columbia, a church that I have previously preached in on a number of occasions.

The reason the sermon was 'pre-recorded' was because of the time difference between BC and where I live here in the UK. Their 6.30 pm Sunday service would have equated to 2.30 am Monday morning my time.

Margaret and I had once again planned to be there in person during a 3-week trip to BC this year, but that trip was of course cancelled because of the travel chaos caused by COVID 19.

The link I will give will take you to the video of that sermon that has been posted on the 'Take Heed' YouTube site. In the sermon I noticed a couple of 'slips of the tongue' where I inadvertently referred to 'the publican' as 'the pharisee' @ 23.21 and @ 23.47 but I'm sure the folks listening will have understood they were slips, if they did actually notice.

I pray it you will find it honouring to God's truth and to our Lord Jesus Christ.
