

New Northern Ireland Abortion Laws:

31st March 2020: A Date That Will Live in Infamy.

This short article comprises solely of a post I placed today on Facebook.

31st March 2020 – ‘A date that will live in infamy’:

Back in 1941 President Roosevelt delivered a speech in the wake of the Japanese attack on Pearl Harbour that claimed so many lives – he said on 8th December 1941 – **“Yesterday, December 7th, 1941 - a date which will live in infamy - the United States of America was suddenly and deliberately attacked by naval and air forces of the Empire of Japan”**.

Today, in Northern Ireland, a deliberate attack upon the lives of the unborn in Northern Ireland has been launched and legislated for by the evil forces of what I would identify as **'Secular Humanism'** or as others call it, **'Cultural Marxism'**.

In his booklet, **'A Critical Review of Humanist Manifestos I and II'**, Homer Duncan (p 28) quoted this from Manifesto II - **'The preciousness and dignity of individual persons is a central humanist value. Individuals should be encouraged to realise their own creative talents and desires'**.

By way of commentary Mr Duncan then wrote – **“Of course, when Humanists say they recognise ‘the preciousness and dignity of individual persons’ they do NOT consider unborn babies to be persons, or they would not favour or promote abortion. The only place human life is truly valued is in a Christian society. Humans are of value because they are created in the image of God”**.

In his booklet **'Secular Humanism'** Harold J Berry wrote (p 29) – **“Abortion is justified by this logic of humanists: ‘We have found no convincing evidence that there is a separable “soul” or that it exists before birth or survives death’.”**

Embedded now in Parliament in Westminster, they have ignored the publicly stated wishes of the people of Northern Ireland (79% of those who took part in a sham, so-called 'consultation' stated they wanted NO CHANGE to the existing laws) and the majority of their elected representatives, and have usurped, in the most disgraceful display of the setting aside of democratic protocol, the right of the people here to determine the laws on ABORTION.

They may view themselves as 'progressive' but in reality, they are 'regressive' as they pursue actions that the Lord described in sorrow way back in Genesis 6:5 **“And God saw that the wickedness of man was GREAT in the earth”**. That **“wickedness”** eventually led to universal judgment by Almighty God and we can be sure that today's **“wickedness”** will hasten the day of His final, assured universal judgment.

This link will take you to details of what is happening on this **“date that will live in infamy”** in the history of Northern Ireland –
