

# 'NEW APOSTOLIC REFORMATION': British Version Launches

In America, the so-called '**NEW APOSTOLIC REFORMATION**' grouping has been exercising its pernicious theological and doctrinal influence for a number of decades now. It was really 'birthed' with this name around the time of my own conversion (1984) and the major leading figure was **C. Peter Wagner** who formed a close friendship and ministry outlook with **John Wimber** who founded the '**Vineyard Movement**' out of which sprang the infamous so-called '**Toronto Blessing**'.

At the time of the '**Toronto**' fiasco, a moderate Pentecostal/Charismatic critic of those events was **Clifford Hill** who did not hold back from openly opposing it. On a web site called '**Prophecy Today**' you can read an article by **Clifford Hill** that is a helpful assessment/critique of the so-called '**NEW APOSTOLIC REFORMATION**' and his article is on this link <https://prophecytoday.uk/comment/church-issues/item/1351-the-new-apostolic-reformation-an-overview.html> Obviously there are significant areas where I would see things differently from **Mr Hill** but on this issue, just as he was on '**Toronto**', I would be in agreement.

Another helpful resource on the American-based '**NEW APOSTOLIC REFORMATION**' is located on <https://bereanresearch.org/dominionism-nar/>

Now, as the title of this article indicates, we now have a '**British Version**' of the **NAR** and I am grateful to **ROB THOMAS** of '**the watchman4wales blog**' for alerting me to this development. **ROB** has penned a very helpful and informative article that can be accessed on this link –

In my response to **ROB**, thanking him for this information I made reference to the fact that one of the names of the '**Core Leaders**' was familiar to me and that was the name of **EMMA STARK**. I wrote a warning article last year about **EMMA STARK** and it can be accessed on this link –

It is clear that we are living in days of perhaps unprecedented spiritual deception and as quoted a number of times by **ROB** at the close of his article we need to

**"Take heed that no man deceive you!" (Matthew 24:4)**
