

**Exciting 'Take Heed' outreach opportunity in the MALAWI region:
My Facebook post of 7th May 2021**

This was my Facebook post of 7th May 2021 and it details a wonderful door that the Lord has opened up for 'Take Heed' Ministries materials to be placed in the hands of many Africans being led astray by false teachings, cults, religions and theories. **I would invite you to prayerfully consider making a gift to support this tremendous outreach opportunity.**

Dear friends of 'Take Heed' Ministries,

Last November 'Take Heed' Ministries funded the printing of 10,000 of the ministry's '**Dear Muslim neighbour**' tract in booklet-form in the **CHICHEWA** language that is spoken widely in **Malawi, Mozambique, Zambia and Zimbabwe** (see photo below of the front cover).

In recent times, my pastor-contact in Malawi, a truly vital evangelist, tutor, translator and distributor, also translated into the **CHICHEWA** language 3 of my web site articles - '**Purgatory – a tragic travesty of Acts 13**', '**Evolution Creates Liars**' and '**Jehovah's Witnesses and Jesus**' – both '**Roman Catholicism**' and the '**Jehovah's Witnesses**' are strong in the region and of course '**Evolution**' is taught in schools.

Earlier this week the ministry sent funds to enable the printing of 10,000 booklets for each of these 3 articles plus funds to enable the printing of another 10,000 copies of the 'Dear Muslim neighbour' booklet.

My pastor-contact wrote to me in recent days – **'you are reaching thousands of people in Africa ... your articles are so rich that many people are being touched ... you are indeed opening eyes of many people in Africa'**.

The amount sent to fund the printing of these overall 40,000 booklets amounted to £3600.00 – a substantial amount for a 'faith ministry' like 'Take Heed'.

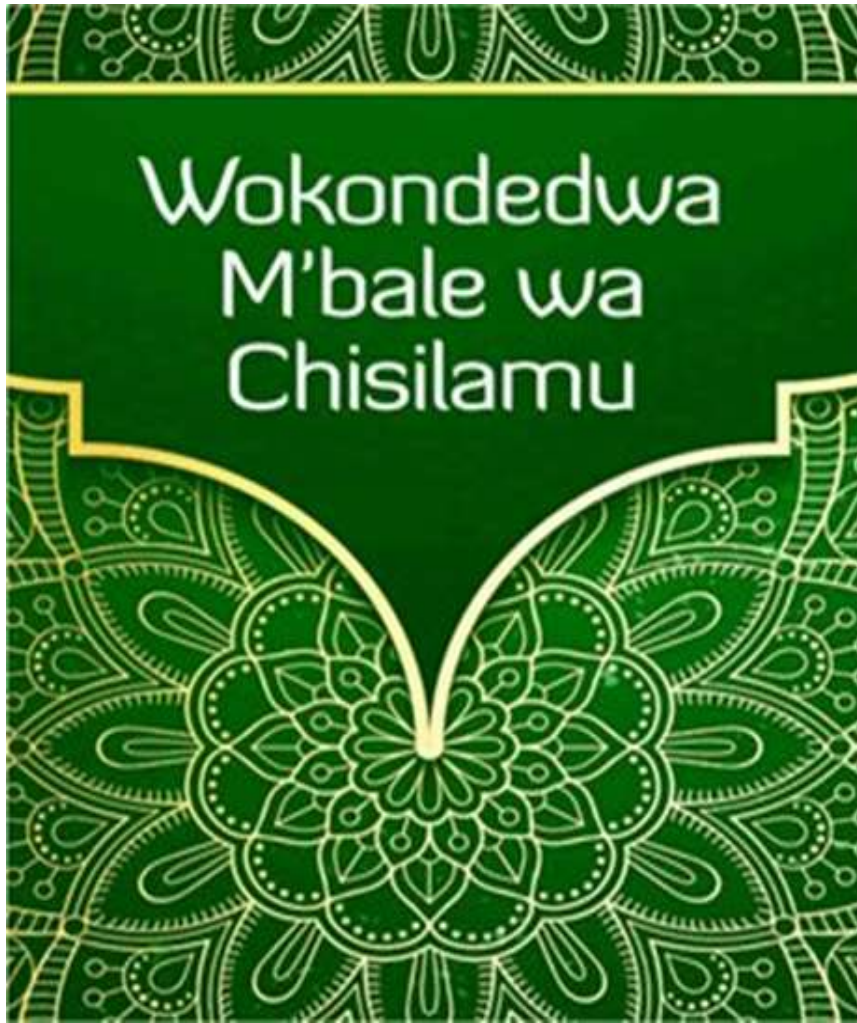

If you felt that perhaps you would like to identify with and support this exciting opportunity for widespread outreach in Africa then you could do so by **making a donation via the ministry web site** on this link – **all gifts will be very much appreciated** -

Above all, your prayers that these booklets would end up in the hands of those whose hearts the Lord has prepared to receive His truth, would be greatly coveted.

Yours for Christ,

Cecil
