

# BANGOR BEWARE:

## ‘Journey Community Church’ Has Come.

It was back in 2019 that I first wrote about the activities of **Journey Community Church**, ‘headquartered’ in Antrim but also with a ‘satellite’ church in Downpatrick. That first article is the most comprehensive analysis of the serious problems linked to **Journey Community Church** and in particular their ‘partnership’ with the **Bethel Church** in Redding, CA. **Bethel** are major ‘players’ in the **NAR** – the so-called **New Apostolic Reformation** – and they are headed up by ‘Apostle’ **Bill Johnson** and ‘Prophet’ **Kris Vallotton**. This is the link to that 2019 article –

Further articles about the activities of **Journey Community Church** can be seen on

The second of those articles provoked a reaction from **JOHN ASHE** the senior pastor of the group in Antrim as you can read on pages 2-3 of this link –

In my 2019 article I devoted quite a section to exposing the true, dark nature of **THEOTHERAPY** and for ease of reference this is the link to the article again - <https://www.takeheed.info/pdf/2019/March/Kingdom-Come-Conference-April-2019.pdf> and the relevant portion is found on pages 3-5.

For faithful Christians, the arrival in Bangor of **Journey Community Church** is not something to be welcomed and our hope and prayer is that none will be ensnared by it and that those already attached to it would be set free by God from its dark deception.

**“Now the Spirit speaketh expressly that in the latter times some shall depart from the faith giving heed to seducing spirits and doctrines of devils” (1Timothy 4:1). William Hendriksen in his commentary on this verse writes – ‘These *spirits* are not men but *demons*. Like planets that seem to wander back and forth among the constellations, these spirits wander; moreover they *cause* men to wander. They *seduce, lead astray*. By giving heed to them one is giving heed to *doctrines of demons*’ (cf 2 Corinthians 4:4; Revelation 13:11,14).**
