

**Supporting 'Take Heed' online via 'STEWARDSHIP':
(Gift Aid option/benefit available to UK taxpayers).**

For quite a number of years supporters of **'Take Heed'** who pay TAX in the UK have been able to support the ministry and also **'GIFT AID'** that support which of course increases its value as the TAX is refunded and added to their gift.

Until recently this could only be done through corresponding directly with **'STEWARDSHIP'** (a Christian-based organisation). However, things have changed and such support can now be given online.

I will shortly give the link to the appropriate page **but I just want to say also that those who do not pay tax in the UK can also use this online facility to support the ministry.**

This is the link –
