

“Take Heed” Ministries

December 2025

Dear praying friends and supporters of ‘Take Heed,’

In the wake of Margaret’s retirement in April, I wrote the following on page one of my June ministry newsletter – **‘In the light of Margaret’s retirement I also prayerfully considered my own ministry work-load situation in the months leading up to 16th April and decided that I would officially stand down from public speaking after my 9th engagement of 2025 on Sunday evening 30th March’.** Well, things haven’t quite worked out as I wrote then, and since August I have actually been fulfilling one speaking engagement per month with more agreed and in the pipeline into 2026 (DV).

I also wrote in the June ministry newsletter – **‘the work of ‘Take Heed’ Ministries WILL CONTINUE (DV) as I plan to still monitor, research and write articles for the web site.’** That has been the case and shortly I shall be referring to some of the articles that have been written and posted over recent months.

Before that, let me mention our continuing ministry connection with **Pastor ‘JJ’ in Malawi**. He continues to travel extensively in Malawi and neighbouring countries where he lectures/teaches and distributes literature. In mid-June, as a ministry, we funded the printing of a further **12,000 ‘Dear Muslim Neighbour’ booklets** and subsequently **Pastor ‘JJ’** sent photos with these comments –

I am planning to travel to Mozambique God willing and I plan to take tracts ... Many thanks for your generous support. May God bless you abundantly ... The church leaders standing are expressing many thanks for the tracts on Islam. They wish it could be expanded into a book because it's an opener to understanding Islam.

The provision of these booklets was only made possible through the generous support given to **‘Take Heed’** so sincere thanks to all who gave and be assured your gifts are helping to spread God’s truth in the midst of Islam’s darkness. **Pastor ‘JJ’** mentioned Mozambique and in a report dated 20th October, **‘Open Doors’** stated **‘At least 20 believers have been killed after Islamist militants launched a wave of attacks on a Christian-majority village in Mozambique. The violence has left 1,300 homes and two churches destroyed, and displaced some 2,000 believers.’** Please continue to pray for **Pastor ‘JJ’** both for his protection and for fruit for his labours.

I mentioned articles written over recent months and here are headings and details for some

Belfast 'MARCH for JESUS': 7th June 2025 – AVOID STOP PRESS: EVENT CANCELLED.

This march was as you can see originally planned to take place on 7th June but for 'vague' reasons it was cancelled just a few days before the scheduled date. It did however take place later on 23rd August. The Belfast Newsletter newspaper carried an article on 21st August by Philip Bradfield and included these words –

'Some conservative Christian leaders have urged people not to take part in the March for Jesus in Belfast this Saturday, (23rd August) which is expected to attract around 10,000 people (Cecil – the numbers were actually MUCH lower than this) According to the March for Jesus website, the global movement is "an extravagant worship celebration for Jesus in full public view". Beginning in 1987 in London, organisers say it later attracted some 12 million participants in 170 countries. However concerns are being expressed from some Christians who hold strongly to Reformation values that the event is working in partnership with the Roman Catholic Church ... Cecil Andrews urged that "true and faithful Christians should take no part in this planned march". A March for Jesus in 1990 had a Catholic Priest on the council of reference and in 1992 a group from Clonard Monastery took part in a march, he said. The "false premise" for the marches, he said, was the commission given to Joshua in the Bible to go and claim the promised land. Mr Andrews also said that several satellite churches (Journey Community, Antrim and Downpatrick) of an "heretical" US church organisation (BETHEL) - which he said believes in modern apostles and prophets - had been promoting it on their Facebook sites. Finally, he noted that a sister march in Dublin was promoted by a Roman Catholic Archbishop, "confirming its ecumenical nature" and that a priest from Maynooth College was promoting the Belfast event.

I was contacted by a number of people who initially had intended to take part in the march but on learning of the ecumenical nature they had decided to 'give it a miss' (PTL).

'Archbishop'? – no, 'Arch-Apostate' JUSTIN WELBY:

This article was based on 2 things that happened after Justin Welby's retirement. The first involved his 'confession' at an event organised by The Cambridge Union, the University's historic debating society, that 'faithful and stable' same-sex relationships are "a huge blessing" to those involved and for society as a whole (and) He added, **"I began to realise that I was being thick"** to have ever thought otherwise. My response was **'He better read and digest what the Bible says about who goes to hell.'** The second concern related to a Roman Catholic Mass being celebrated in Canterbury Cathedral in July and of course the ecumenical groundwork for this was well laid by Mr Welby – clearly an obvious **'Apostate'**..

CHURCH of ENGLAND: 'IGNORA SCRIPTURA'

This article dealt with details of who the next Archbishop of Canterbury would be. I wrote -

'It is a lady called Sarah Mullally. I don't know if there is such a Latin word as 'IGNORA' but I think most people will know what I'm getting at namely that for the Church of England 'SOLA SCRIPTURA' is clearly a totally foreign concept. GOD's WORD states in 1st Timothy 2: 11-12 **"Let the woman learn in silence with all subjection. But I suffer not a woman to teach, nor to usurp authority over the man but to be in silence"** ... Also, keep in mind that King Charles holds the position of 'The Supreme Governor of The Church of England' ... The King appoints archbishops, bishops and deans of cathedrals on the advice of the Prime Minister. The Prime Minister is of course Sir Keir Starmer who reportedly has said 'I am not of faith, I don't believe in god, but I can see the power of faith and the way it brings people together' ... The sign over Canterbury should read ICHABOD'

KING CHARLES prays with POPE LEO etc:

"Tekel": weighed in the balances.

The main focus of this article was, as the title indicates, the visit of King Charles and others to meet Pope Leo in the Vatican, However, the **'etc'** in the title afforded scope to also comment on the King's attitude to **Islam** and **'matters LGBT.'** Early in the article I quoted solemn, sacred vows that King Charles made during his coronation and it's not exactly 'rocket science' to see that how, by praying with the Pope, he utterly betrayed those coronation vows – I wrote –

'The King kneels at the Chair of Estate. The Archbishop says: Will you to the utmost of your power maintain the Laws of God and the true profession of the Gospel? Will you to the utmost of your power maintain in the United Kingdom the Protestant Reformed Religion established by law? Will you maintain and preserve inviolably the settlement of the Church of England, and the doctrine, worship, discipline, and government thereof, as by law established in England? **The King replies All this I promise to do. The King places his hand on the Bible and says - **The things which I have here before promised, I will perform and keep. So help me God.**'**

Another source that I quoted stated **'he deceived everyone by pledging to defend the faith as a genuine Protestant, simply so he could become King'** – I couldn't disagree with that. As regards **Islam** I referred to events at Windsor Castle where several hundred Muslims were invited at the King's request to hold and attend **a Ramadan 'fast breaking' meal.** As regards **'matters LGBT'** I referred to an event that the King attended just a few days before Remembrance weekend. The BBC reported **"King Charles III has unveiled a memorial to lesbian, gay, bisexual and transgender military personnel after a decades-long campaign against a ban on being gay in the armed forces."** These issues all represent clear departures from the **Protestant Reformed Religion** that he swore before to **maintain.** As regards **"Tekel": weighed in the balances** I referred to events recorded in **Daniel 5** and wrote - As God looks on the reign of King Charles I believe He would give a similar assessment of his reign meaning - **Tekel: "You have been weighed in the balances, and found wanting".** In the wake of that article I received these 'feedback encouragements' –

Cecil, a brilliant article on King Charles and Pope Leo. I have just read it at my breakfast. I will share this with others ... Keep the information coming. God bless
Excellent article Cecil - lots of really interesting references too

A final article that I shall refer to dealt with a ludicrous 'show' put on by Pope Leo – I titled it

POPE'S PAGANISM LEAVES ME COLD:

I wrote - **As Bible-believing Christians we recognise the utter non-Christian nonsense of this 'ice-block blessing'** and I also quoted a comment from a Roman Catholic web site that was also highly critical of this farce – **'The whole thing was pagan. His presence at that pagan conference says he agrees with that philosophy. It's not just optics. It's another scandal. This is worship of "Mother Earth." It's idolatry.'**

Lines from the lovely hymn **'Our God our help in ages past'** read – **'Time like an ever-rolling stream, Bears all its sons away'** and since my last newsletter, 2 very faithful **'sons'** have been **'borne away'** – **Pastor John MacArthur** in America and my dear friend and fellow-contender of **Bible Based Ministries** in South Africa – **Shaun Willcock**. Over the 35+ years of **'Take Heed' Ministries** I have derived great help, guidance and support from both men and their godly wisdom and insight will be sorely missed, not just by me personally, but by faithful believers around the world. **"The memory of the just is blessed" (Proverbs 10: 7)**

Two further messages of encouragement received in August and November read

'Please keep up the good work, in warning of the apostasy in our churches. The material you put on Takeheed.info is so valuable and informative. So many deceived individuals out there living in ignorance of God's Truth. May Christ richly bless you in your work for Him.' MI
'Brother your ministry is vital in crushing the stronghold of Romanism' SPF

As perhaps you will have gathered, my work schedule has not really reduced too dramatically, apart from a measure of scaling back on public speaking, so this encouragement to **'keep up the good work'** was to me significant in spiritually, ever-darkening days of great deception. It would appear that the need for **'Take Heed'** has not diminished and so we **'press on.'**

To that end, if you would once more like to practically support the ministry, please utilise the optional yellow support letter (see page 5) or either of these support options
