

**CALVIN ROBINSON:
An unregenerate deceiver.**

This article reflects a Facebook post
of mine dated 2nd January 2025:

**CALVIN ROBINSON:
An unregenerate deceiver.**

I have been compiling a 'file' on **CALVIN ROBINSON**
and I was very pleased to see this post by my Facebook
friend, **Pooyan Mehrshahi**.
This is what **Pooyan** wrote –

"Last year, I crossed paths with Calvin Robinson, as I
was walking with my family and some friends in London.

"Father" Robinson is a man many admire for his bold
stand against the decline of the Church of England and
Western culture, into wokery. Yet, he has joined the "Old
Roman Catholic Church" and rejects the heart of the
Gospel: salvation by grace alone, through faith alone, in
Christ alone.

When my friends and I challenged him about trusting in
Christ, **he confessed he had no testimony of
conversion** and dismissed us angrily, saying, "I do not
see the love of Christ in you," while handing out rosaries
and crucifixes to passersby.

Let me be clear: to fraternise with or elevate such
leaders in the conservative world is a compromise of the
Gospel.

The Church of Rome still stands as the **"mother of harlots" (Revelation 17:5)**, promoting damnable heresies and denying the Gospel of free grace.

As **Spurgeon** rightly warned, Rome is "the masterpiece of Satan." **John Knox** rightly warned, "The Papacy is that Antichrist, that man of sin, that son of perdition, that exalteth himself above all that is called God." **John Calvin** likewise declared, "The pope is not the successor of Peter, but the successor of Satan." Friends, Rome still rejects the Gospel of grace and continues in her antichristian position as **"the mother of harlots" (Revelation 17:5)**.

Protestants and Reformed leaders must not lead their people into a softened or compromised view of Rome.

To do so is to betray Christ and His Gospel. The Pharisees of old taught the commandments of men, and so does Rome today. Scripture exhorts us: **"Have no fellowship with the unfruitful works of darkness, but rather reprove them" (Ephesians 5:11)**. There can never be peace with the Papacy and the Roman Catholic Church.

We must resist these compromises, not out of hatred, but out of love for the truth and the souls of men. True love warns, and true love calls for repentance. **"If any man preach any other gospel unto you than that ye have received, let him be accursed" (Galatians 1:9)**.

May the Lord grant repentance to those in error, and save Calvin Robinson and give us courage to stand firm in Christ alone."

Calvin Robinson really came to public attention during his time as a contributor on GB News and it did appear that he was committed to defending Biblical truths which led to him parting company with the Church of England. He subsequently moved to the Free Church of England which was set up in the 19th century by Evangelical Anglicans totally opposed to the Oxford Movement, spearheaded by John Henry Newman, and with the avowed intention of reuniting the Church of England with Rome.

At this time I became acutely aware of Calvin Robinson's liking for Rome and its 'sacramental salvation' and as a result I was baffled by his choice of the Free Church of England **AND** their choice of him.

However, that relationship did not last long and eventually he aligned with the Nordic Catholic Church as you can read on this link

This spiritual journey very much bears out the observations made by **Pooyan** and so this is a man who is clearly deceiving many into thinking he is a genuine Christian when he is clearly not. He is very much a 'fan' of Mary as the 'screenshots' below demonstrate **CALVIN ROBINSON is certainly a person to "mark and avoid" (Romans 16: 17)**

Putting something like this on here is simply to elicit a response, and then get the honor of complaining about those responses.

When in Rome, I tend to pick up a few rosaries to give
away to Christians I meet out and about. Here are some
rosaries I recently gave away to my Instagram followers:

Kind followers occasionally send me rosaries, too. I
always keep and treasure them and use them for prayer.
Here are a few nice rosaries I have been sent. One was
for Dan Wootton and another for Tommy Robinson. If
