## **Satan's spokesman in the 'House of Lords'**

The Daily Mail of 29 November 2014 reported that the former Anglican Bishop of Oxford, **Richard Harries**, had recently called for the following that **“Prince Charles's coronation service should open with a reading from the Koran”** and his reason was given as being that the gesture would be a **“creative act of accommodation to make Muslims feel embraced by the nation”**. The full article can be viewed on <http://www.dailymail.co.uk/news/article-2853638/Koran-read-Prince-Charles-coronation-says-bishop-Critics-attack-proposal-accuse-Church-England-losing-confidence-traditions.html>

**Mr Harries** appears to have overlooked the fact that at the Coronation service the monarch is 'installed' as the 'Supreme Governor' of the Church of England, supposedly a Christian church, and so the service should have a distinctive 'Christian' ethos and flavour. That being the case, the God of true Christianity makes no “accommodation” or room for the “embracing” of false gods (Isaiah 46:8-10 and John 14:6) and especially an anti-Christian philosophy, as in the case of Islam, that denies the deity and death of the Lord Jesus Christ, God the Son.

I have written about this reprobate **Richard Harries** before as you can see by going to <http://www.takeheed.info/news-from-the-front-june-2009/> where his tack then was to deny God's account of His creation in Genesis.

What a desperate state the spiritual health of the UK is in to have such a prominent spokesman for Satan in the so-called 'House of Lords'.
